

WCF-3672FL-M

Description

Store your flammable liquids safely. Double walled 18-gauge all-welded steel with 1-1/2" insulating air space. Safety storage cabinet includes a built-in grounding connector, dual 2" vents, and has a 2" D leak proof doorsill. The 350 lb. capacity galvanized steel shelves adjust on 3" centers. Doors have full length piano hinges. Cabinet features a recessed paddle handle with cylinder lock and padlocking latch for security. Stainless steel 3-point self-latching system provides positive door locking. Adjustable leveling feet for uneven floors. Durable powder coat finish with warning labels.
